Join leadership from the Operations Departments (Facilities & Maintenance, Food Services and Transportation) and members of the Office of Talent to learn about available positions, how to apply, and the steps to take to become a member of our ever growing team.

Introductory Session

Welcome to the School District of Philadelphia - A Brief History of Where We Were, Where We Are, and Where We're Going.

Working in Philadelphia is exciting, challenging and rewarding. Our students deserve the best chance to succeed, and our operations employees have a direct impact on those chances. We will explore the need for outstanding skilled workers to help keeping our schools safe and clean and our students comfortable, secure and healthy. You will hear from the Chief Operations Officer about the opportunities available to both begin and grow your professional career here at SDP.

Breakout Sessions

Three Sessions designed to assist you wherever you are in the process. If you need to complete an application, learn about the required clearances, or converse with management of the operations departments - you will have the opportunity here!

During the three ½-hour sessions you can visit any of these locations:

Option 1: Application Workshop in IT Lab B

Option 2: Clearance Workshop in IT Lab C

Option 3: Meet & Greet with Facilities and Transportation in Conference Room 1075

Option 4: Meet & Greet with Food Services in Conference Room 1069
